BARLEY VILLAGE HALL MODEL EXHIBITION

Bank Holiday Weekend August 27, 28 & 29

Trains, Boats, Planes and loads of other models.

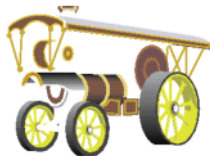

We are always seeking new exhibitors so if you know of anyone who would be interested in having their models on display, or if you have models that can be displayed, please contact David Weatherill (01282 613280) or Chris Widdas (01282 691850).

This year there will again be a childrens' competition for Infant and Junior schoolchildren and for those in their first year at High School. We hope to have a working model of a large excavator on display on Sunday 28th so the theme for the competition will be Diggers and Tractors.

Entries can either be a model from a proprietary Kit (eg Lego, Knex etc) or from junk. Those who prefer may produce a picture of a digger or tractor instead (or as well).

The only limit is the child's imagination.

Models and pictures can be of a historic machine, a present day machine or a digger or tractor of the future.

**SAFE LANES
IN PENDLESIDE**

There will be a meeting of the group on Tuesday 14th June at 7.30pm in the Scout and Guide Community Centre at Fence. The pledges and car stickers have been ordered and will be ready then so we need to be deciding how they are going to be

distributed ~ 3,000 of each item will cover the whole of Pendleside.

All the Parish Councils are willing to support the project and the local Post offices have agreed to be involved. Ideas for poster campaigns would be useful. See you there!!!
