PARISH NEWS

DECEMBER 2005-JANUARY 2006

ROUGHLEE News &

The recently held Ball was another outstanding success, made even more enjoyable with a guest appearance from 'ABBA', in the form of Doreen Palmer's daughter, Donna & friend. The catering was first class - again provided by Rob & Anne Bradshaw and with dancing into the small hours, plus a profit for Centre funds, made it a night to remember. The other guest appearance came from the Lancashire Life photographer and we look forward with trepidation to their next publication! If you can't wait, the pictures, left, give you a flavour of the evening.

Most households should have had a questionnaire regarding future affordable housing in the Village. This is an emotive topic for many people and it applies to both ends of the age spectrum, not just the young. Available land is of course a problem, but new legislation could mean that small sites could be given permission to be built on. Please complete and return the form - it might just make a difference.

Diary Dates: The Annual Luncheon is due to take place on Tuesday 13th in the company of the Mayor with home-grown entertainment from the School and, as last year, Danny Belshaw & friends. Invitations were being distributed earlier in the week and is for all Villagers over the age of 60. For those over 65, it is free. All responses to the Chairman before December 3 please.

The Second Friday Club on December 9 is a Christmas party and on January 14 is 'Who wants to be a Millionaire?' Do join us if you want a good night out. Both start at 8pm.
